About the Wall and the Plaques

The VANC Honor Wall will accommodate approximately 500 Plaques, in four sizes. You can memorialize a military veteran with the standard 8x3 or 8x4 size. If you want to honor and memorialize an organization or multiple Veterans, we offer two "Custom Sizes"... 8x8 or 8x12. There is an order form (page 2) for the standard plaques. For our "Custom Sizes", you will work directly with our art department. Make sure to contact VANC and ask for an "Honor Wall Representative."
